

FARM · MATE

THREE REASONS TO TRUST US WITH YOUR BUSINESS

1

TRUST

THE FUTURE DOESN'T ALWAYS KEEP ITS PROMISES. FORTUNATELY, WE DO.

We know farming because our roots are rural. The **Farm-Mate** policy helps protects your dwelling, farm buildings, equipment, and livestock. It's the stuff you need coverage for but don't want to think about.

- Dwelling
- Household personal property
- Additional living expense/loss of rents
- Farm outbuildings
- Scheduled and unscheduled farm personal property

So even if the plans you have for your farm aren't the same as what the future holds, we'll keep our promise to protect your interests.

2

RELATIONSHIPS

WE BELIEVE THAT BUILDING TRUSTED RELATIONSHIPS IS THE ONLY WAY TO DO BUSINESS.

What does that look like? It looks like a dedicated, knowledgeable Grinnell Mutual Member agent who will be with you from the start of your policy to your first claim.

Your local agent and mutual are backed by Grinnell Mutual's strong bottom line and more than 100 years of experience protecting farming operations like yours.

3

BEYOND BASIC

YOU WANT A PROGRAM THAT FITS YOUR OPERATION — AND ONE SIZE DOESN'T FIT ALL.

Beyond the coverages available with the Farm-Mate policy, your agent can assist you with other coverages you may need.

- Auto
- Recreational vehicle including farm-use ATVs
- Farm-Guard® liability
- Farm umbrella liability
- Wide variety of agribusiness insurance packages
- Workers compensation
