THE FUTURE DOESN'T ALWAYS KEEP ITS PROMISES. FORTUNATELY, WE DO.

WE KNOW THAT YOUR HOUSE IS MORE THAN SHELTER — IT'S HOME. AND OUR PROMISE IS THAT WE'LL BE HERE FOR YOU TODAY AND TOMORROW.

The Home-Guard® policy helps protect your home, which means it helps protect you and your family. It's the stuff you need coverage for but don't want to think about:

- Additional living expenses
- Coverage for other structures
- Materials and supplies used in construction for the dwelling or other structures on the premises

NEED MORE?

If you're looking for the next level of coverage, Home-Guard optional coverages can go the extra mile in individualized protection. Ask your Grinnell Mutual Member agent what other kinds of protections are available to you.

Examples of other coverages might include:

- Water Backup from Sewer, Drain, Sump
- Replacement Costs for Household Personal Property
- Service Line
- Equipment Breakdown
